We had the most amazing weekend and everything was just perfect. Nothing was too much of an ask and we just couldn't have had a better weekend! Please pass on to the Head chef and team that everyone raved about the BBQ and the wedding breakfast!!

We really appreciate everything you all did to make our guests feel so welcome and looked after despite the language barrier!

We had our sons wedding at this venue and were not left disappointed by anything. The attentive staff were wonderful and nothing was any bother for them. The food was first class quality and the portions were plentiful. If you are in the market for a venue that will stun your guests this is the one.

Just to say thank you very much for helping us out together our big day. Both of us had the best day of our lives. You along with all the staff were superb. Jeanette was lovely, Steven worked his socks off , Tony is a credit to the bar, and the kitchen done fantastic. A lovely venue with lovely people. Thanks again

Mr & Mrs Falla

We had the most amazing wedding here and can't thank the staff enough for making it a day of our dreams. We were here for 4 days in total and had 110 guest staying over at the hotel for our wedding day. At every opportunity the hotel went out of their way to make the whole weekend amazing, from catering for a private dinner for 40 people on Friday, to going into town to get ice lollies for the children on our wedding day... everything was perfect. Thank you lovely staff at Barony Castle! We would recommend to any bride.

Just writing to say thanks to you and all the staff for such great support and effort on Saturday. We had an amazing day and I'll be recommending Barony Castle to everyone I know who gets engaged! You guys made the day so enjoyable and stress free for us and we can't thank you enough.

Mr & Mrs Bye

We wanted to say a huge Thank You to you and your team. We had an amazing day at Barony on 26th June, that went off without a hitch, despite the rainy Scottish weather! I am so grateful to you for understanding our vision and desire to have our ceremony down at the altar. It truly was magical and I couldn't have imagined getting married anywhere else. You worked tirelessly all day and your customer service, organisation and attention to detail in the lead up and on the day were excellent. You really helped it all come together. Our day was truly special and Barony Castle as a setting made it magical.
